February 2012

Hi everyone,

In the month of February we celebrate Valentines' Day and the children get to go to their first school dance. Only class moms and those few moms that can help serve, set up and help supervise the children are invited. This is because we need room for the children to dance in the Fellowship Hall. I will be the morning DJ and I encourage the children to bring their favorite music. Please put your child's name directly on the C.D. so I can return it after the dance. They will be able to dance to their favorite music with all their friends. It will be a fun Valentines' Day party.

As we approach the themes on our curriculum, love is an important lesson for the children to understand. Love for family, friends and all that surrounds us. Everything we do in life has much more meaning if it is done with love. After the love of our parents I feel that the love of our grandparents is so very special. That is why I have included the grandparent as one of the themes. Each class will celebrate the love of our grandparents in different ways. Please make sure that you communicate with you child's teacher on how they will celebrate this theme so that all of the grandparents can participate. They can also join us in Chapel on the 16th at 9:30 A.M.

Registration for the Summer and Fall of 2012 has begun. As per every year all students will have to fill out the new Registration Form. As soon as you receive it please come by the office, return it and secure your child's spot. If you know for certain that your child will not be joining us next year, please let us know. For those parents of 3 year old students that will be coming to our VPK program I would like to inform you that you will need to get a voucher, just go to www.vpkhelp.org. I would like to appreciate your generosity for the Trike-a-thon we collected \$1,952 dollars. I just wanted you to know that 3C's has been supporting this worthy cause since 1999 and we have contributed \$16,671.21 to St. Jude. All this money stays in Florida to support the care of 505 children that live here and suffer from this disease. Thank you lily Galdo Marrero for letting us use the "Surry Bike" we had great fun! I would like to encourage all parents of our graduate classes to extend the children's day to 2:30 so they can have a chance to build the stamina they need next year in Kindergarten.

Thank you,

PopTabs at 3C's

Let's help 25 families of sick children stay at the Ronald McDonald House Charities by collecting PopTabs. You will see containers in all the classrooms. It's easy, just help us fill them. It's a great cause.

Soccer at 3C'S

Soccer starts this Tuesday, February 7th with great excitement. It will run up to March 27, 2012 and close with an Award Ceremony and lunch on

March 29th.

Once the children receive their uniforms please send them to school with them on and come by the classroom if you can, to help with their shoes and shin guards right before practice. This way we can get the children out on the field faster.

We also need volunteers to help us get the children to the bathrooms and to the water fountains during practice.

Please remember that children must be released to you the parent by me in the Hall.

Soccer will be every Tuesday at 12:45 P.M. behind the Fellowship Hall, come join us.
